Child/Youth Discipleship

Uganda

God has opened many doors for Emmanuel International to be working in the lives of children and youth. The Jesus Film ministry has spurred on thinking about how to train up Sunday school teachers in rural churches. We want to work hand-in-hand with Scripture Union to train up teachers and participate in Bible camps.

You will be responsible for overseeing a new project to improve livestock keeping among communities in the Mwanza region.

Theological Training

Uganda

Both have the need for tutors and the latter also need help with administration. Local church leaders have also expressed a desire for in-service training for their pastors and lay leaders.

Teacher

Malawi

Our partner church, Evangelical Baptist Church Malawi, is looking for a teacher to teach at a church primary school in the North of Malawi, in Mzuzu. You would be required to teach, in addition to your specialist subject, Bible Knowledge and integration of Bible Knowledge into all subjects at school. You need to be a qualified teacher with an appropriate degree.

Then you will call, and the Lord will answer; you will cry for help, and he will say: Here am I.

“If you do away with the yoke of oppression, with the pointing finger and malicious talk, and if you spend yourselves in behalf of the hungry and satisfy the needs of the oppressed, then your light will rise in the darkness, and your night will become like the noonday.

The Lord will guide you always; he will satisfy your needs in a sun-scorched land and will strengthen your frame. You will be like a well-watered garden, like a spring whose waters never fail.”

Isaiah 58:9-11 (NIV)
