

# HELP us HELP them

Collect used stamps  
that you would  
normally throw away!

Send your collected stamps to:  
"Emmanuel International UK"

Used Stamp Appeal  
Fords Farm  
HORSEY  
Norfolk  
NR29 4EP

The stamps must be totally unsorted, just as received through the mail. The stamps will need to be on single paper (just the front part of the envelope), and with approximately 1/4" of paper around each one.

You can also bring stamps to the Emmanuel International UK office or to one of our social events.

Emmanuel International is a Chichester based charity that provides practical help to poor people in several countries worldwide. By helping us collect the stamps on letters you receive, you can help us raise funds for our projects!
