Roll the presses! - Malawi

Project 66, Malawi

Be a part of an extraordinary moment. Help us print the first ever Bible Commentary in Chichewa—the national language of Malawi with over 8 million speakers.

Pastor Yakobe has finished the ambitious task of translating a New Testament Bible Commentary. Our goal is to print 500 copies. Your gift will help Chichewa speakers understand scripture like never before.

**The gift of one Chichewa
Bible commentary**
