

O, Come Let Us Celebrate

This Christmas, let us give with faith

Together

20 meaningful gifts that share faith and change lives

A closer look at your gift...

Chickens

Philippines, Tanzania

Healthy livestock are a great blessing to struggling families and young mothers. By giving the start of a herd or flock, you give an ongoing source of **wholesome eggs, meat protein or much-needed income** at market.

These hardy animals bless even the littlest members of the family with the nutrition to grow, and funds to afford education. Our local partners purchase all animals nearby and provide training.

Merry Christmas

The gift of chickens
